

Affiliated Club Application Form for Judges Seminar Funding

Dressage NSW has obtained **Funding** to assist with the education of Officials through Equestrian NSW.

Applications are called for from Clubs in regional areas who would like to conduct a Seminar in 2016 calendar year.

Seminars in the Metro area are usually conducted by DNSW however Metro Clubs wishing to hold a Seminar may apply for support.

The amount of funding available will depend on the budget supplied. In all situations the Judge Educator Fee and where possible the JE travel will be covered by DNSW.

Funding guidelines: Approx \$500 - \$1,000 per Seminar available. Funding above this amount will be considered depending on the budget supplied.

Recognition of the support from DNSW & ENSW for funding Seminars must be acknowledged.

Clubs can now apply for funding for seminars (application form attached). The JSC will review the applications and put forward recommendations to the Committee of DNSW. The Committee of DNSW will make the final approval of funds allocated for this purpose.

Once approved, Dressage NSW will forward funds to the successful club, in line with the budget submitted. If funds are available after allocating funds for each Seminar, the balance of the funds will be distributed to Clubs based on the budget submitted with the application.

Following the seminar a report must be submitted to The Secretary, Dressage NSW Inc. This report will be forward to Equestrian NSW as part of DNSW's overall report on the acquittal of the funds.

Note: The Application Form must be received no later than three (3) months before the date of workshop/seminar to enable the Committee time to consider applications. Applications **may** be considered outside this time frame in exceptional circumstances.

There is a limit on the funding available and not all applications may be approved.

The intention is that these seminars be free to all judges and for people wishing to become judges.
