Stallion Safe Guidelines

DNSW supports stallion safe guidelines adopted by EA. If you see a horse with a "Green" disc on the saddlecloth or bridle then this indicates the horse is a Stallion. Floats and Trucks transporting stallions also feature a Green disc.

Stallion owners are well aware of taking necessary precautions with Stallions. Other owners/riders and others however are not so mindful.

If you see a green dot on a horse, float or truck, disregard the normal convention of "Green means Go" and take care not to park too close or to provoke Stallions in any way.

More information on the Stallion Safe Guidelines can be found on the EA and DNSW websites.

Property Identification Codes

Property Identification Codes (PIC) numbers are required for all events from September 2012. Please note your PIC on the entry form.
