Details

- Riders from throughout NSW are eligible.
- The medals in principle are for riders. It is up to the rider if they wish to pass on to the owner of the horse.
- Riders must be current financial members of DNSW to be eligible
- Performances can be from any official competition held in NSW.
- HC results are not eligible
- For cost reasons, if a horse/rider is eligible for more than one medal, e.g. a horse has 3 performances of 68% or more at Novice & 3 performance of 68% or more at Elementary level then only one medal is presented.
- Performance medals are usually presented at an Awards Night held at the end of each year.

* Medals for FEI Medium Tour Results are based currently on the same results as for other FEI level.
