Organisers should ensure that the gateway into the arena is wide enough for two horses side by side.

In the main, the rules for this competition are the same that applied to single freestyle tests.

From time to time fancy dress costume is permitted in this competition. Approved safety helmets and riding boots must however be worn by all competitors

If part of the fancy dress costume becomes unsafe the judge will eliminate that combination.

* Competitors should check with the Organisers regarding equipment available for playing of music (eg. tapes or CDs)
