WELFARE OF THE HORSE – FEI CODE OF CONDUCT

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. **The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.**

A full copy of this code of conduct is available on the [FEI Website](#) and included in the FEI Dressage Rules.

4.6.1 AMATEUR OWNER RIDER (AOR)

Amateur Owner Rider (AOR) is a division of Official Competitive riders. The intent of the division is to highlight and reward non-professional riders. For the purposes of this rule, a professional is someone who derives an income from activities in equestrian sport including breaking, training, coaching or riding horses. It does not however exclude riders who may also earn a living running an agistment property, work in the racing industry or saddlery for example. It is more about recognising riders with their own horses only to ride and train who are obliged to earn an income to support their sport outside of riding and training.

All amateur owner riders must meet the following criteria:

- a) the rider must be a Competitive member of their state branch of Equestrian Australia
- b) the horse must have a life registration with Equestrian Australia
- c) the horse/pony registration lodged with Equestrian Australia must reflect the name of the amateur owner rider as owner or part-owner of the horse. Leased horses are eligible if the amateur owner rider competitor is reflected as the lessee on the EA horse registration of that horse
- d) the rider may not receive payment for coaching
- e) the rider's income may only include sponsorship
- f) the horse/pony must be primarily ridden and trained by the rider/owner with only periodic ridden assistance by person(s) other than the owner, specifically during the period 4 weeks prior to the event
- g) the rider must be aged 21 and over – can enter in the calendar year in which they turn 21
- h) the division is for Official Competitive competitions. The Organising Committees may run this division at any level (ideally at all levels Preliminary - GP) and it can be run either within the competition or separately
- i) Organising Committees must designate the AOR on the draw if there is a separate competition conducted within the one competition
- j) for a State/Regional/Club Leader Board it would be ideal to select several events at which scores will count towards the annual Leader Board
- k) if the OC receives evidence that the rider is in breach of these rules then this rider will forfeit any awards and prizes
