## Equissage

### *FEI Big Tour*

The modern equine athlete requires the latest in techniques and systems to keep them at optimal health and fitness.

Introducing Equissage Edge, the evolutionary equine treatment system that gives your horse the edge in competition.

As an athlete, your horse needs optimal circulation to achieve peak performance and muscle tone. Circulation improves recovery from exercise or injury, generates oxygenated blood, reduces swelling and joint discomfort. And can help prevent the build up of lactic acid and the accumulation of toxins.

Equissage Edge delivers powerful cycloidal, three dimensional vibrations to the whole body, and is scientifically proven to:

1. improve local blood circulation
2. lymphatic drainage
3. relax muscles and increase joint mobility
4. can assist in rehabilitation from a multitude of injuries or persistent conditions

If you would like to give your horse "the Edge" and see how they respond to Equissage Therapy or YOU would like to know more, please come and see us at the Equissage EDGE Trade Stand in the Trade Village.

## **MEDIA ANNOUNCEMENT**

**The modern equine athlete requires the latest in techniques and systems to keep them at optimal health and fitness.**

**Introducing Equissage Edge, the evolutionary equine treatment system that gives your horse the edge in competition.**

Circulation improves recovery from exercise or injury, generates oxygenated blood, reduces swelling and joint discomfort. And can help prevent the build up of lactic acid and the accumulation of toxins.**

**Equissage Edge delivers powerful cycloidal, three dimensional vibrations to the whole body, and is scientifically proven to**

- 1. improve local blood circulation**
- 2. lymphatic drainage**
- 3. relax muscles and increase joint mobility**
- 4. can assist in rehabilitation from a multitude of injuries or persistent conditions**

**If you would like to give your horse “the Edge” and see how they respond to Equissage Therapy or YOU would like to know more, please come and see us at the Equissage EDGE Trade Stand in the Trade Village.**
