E-Centreline: to be issued quarterly (currently issued bi-monthly) with a short bulletin to be issued between quarters. Format and content to be revised to make greater use of digital technology.

Leaderboard and Performance Medals Listing – this is very close to being finalised and will be posted on the DNSW facebook page and the DNSW website as soon as possible. Thank you to committee member Jo Gunn and her husband for their work on collating the results from the 2020-2021 period.

Pirouettes Party – is cancelled for 2021. Annual Awards and Performance medals will be presented at the DNSW Clarendon December competition if possible.

Amateur Owner Rider Australian Championships – Dressage NSW will submit an Expression of Interest to conduct the Championships in 2022. Date and location to be confirmed.

Clarendon Events – hopefully the December competition will be able to be conducted, in conjunction with a training day to give horses and riders an opportunity of exposure prior to competition.

Nominate Survey – judges, riders, clubs, scribes – Pamela Bice has collated the survey results and will now determine what areas can be addressed by education and what areas need to be addressed by updating the technology.
