

Would you like to volunteer to help at dressage events or other dressage activities?

Perhaps you are a **"loose connection"**. That is, a Mother, Father, family member or partner, who would like something to do while the event is taking place?

Perhaps, because of Centrelink requirements, you need to fulfill your mutual obligations requirements?

We need

- People who are prepared to pencil at events;
- People who are prepared to become gear stewards, marshals and runners (collecting papers from the judges);
- People who can assist with hospitality at our regular events (making sure our volunteers and judges are being looked after);
- People who have computer skills and can assist with scoring/checking results;
- People who can help with the preparation and running of major events;
- People who know people/businesses who may be prepared to help with fundraising and getting sponsors for major events;

You may ask "what is in it for me?"

Apart from being well fed during the time you are volunteering, you get the satisfaction of contributing to a sport that is expanding rapidly; of knowing that without you, events just can't run at all or not as well as they are. Without competitions, there is no improvement; without improvement, there is not international competition and so it goes.

\$20 Coles or Woolworths Gift cards are issued to volunteers that can be used for petrol or supermarket shopping.

In the end, without you and your help there is no viable dressage.

You may be interested in the sport, like to make a contribution, however small, however irregular. Every bit helps and we will welcome you warmly and provide you with the necessary training as required.

Please fill out the **Expression of Interest to Volunteer Form** on the web (or ring and ask for a copy) and send in to us.
