## Entry Checks - Nominate

---

Things to look out for:

**Name of rider** – does it match EA name column?

**EA number** – if incorrect format used to EA number then member will not be found. No spaces to be used or letters.

**Valid Until** – is the membership currently valid?

**Membership category** – is it the correct for the type of class?

Cont'd.....

## Entry Checks - Nominate

---

**Horse Name** – does it match EA horse name column?

**Licence Valid Until** – is the competition licence currently valid? Ponies with current cards do NOT show as current due to different codings within EAOnline. Trying to get this fixed.

**Grade Level** – unreliable

**Owner** – MUST show a YES otherwise not all owners are current. TRAP – a competition licence can be purchased for a horse without all owners being current. Without all owners being current results CANNOT be uploaded.

**Bridle Numbers** – are not part of the entry check or results process.

## Entry Checks

---

What do Clubs need to do after the entry check has been completed?

- Contact riders who are not current or have an incorrect membership category
- Contact riders whose horses are not current
- Verify with ENSW before your competition that memberships and competition licences are now correct.
- Ensure that all riders and horses have correct EA numbers in your scoring systems.
