

2019 DNSW South East NSW 4 Clubs Dressage Challenge

The [South East NSW 4 Clubs Dressage Challenge](#) is an initiative of a group of small regional dressage clubs that both ENSW and DNSW are proud to support.

It is a competition for all members of the four DNSW affiliated clubs in the South East of NSW: Bemboka Show Society, Far South Coast Dressage Association, Monaro Equestrian Association and Eurobodalla Dressage Association. In 2019 each of the Clubs will organise one event offering "4 Clubs Challenge" tests at Prelim to Medium level. At the end of the year, the aggregate winner at each level will be awarded an embroidered rug, and runner up, an embroidered saddle cloth.

The aims of the 4 Clubs Challenge exactly align with the aims of the Regional Dressage Festival but at a more grass roots level. Like-wise the "other benefits" identified in the Regional Festival Series are equally applicable to the 4 Clubs Challenge. The particular benefit of running the 4 Clubs Challenge will be that it will encourage South East dressage riders to travel to the other three clubs, so providing a greater level of competition and participation for the organising clubs. This will enable the clubs to bring higher level judges to the 4 Clubs Challenge events. This in turn will benefit the riders as well as the local G level judges who will have the opportunity of sitting in/pencilling for the high-level judges.
